Dear Local Official:

Thank you for sending a copy of your Town Building Ordinance showing adoption of the Wisconsin Uniform Dwelling Code (UDC).

I have reviewed the Ordinance per s. ILHR 20.06 and found it acceptable to the department. Please commence enforcement of the code by using the state certified building inspector, permit forms and permit seals.

I am enclosing a complimentary copy of the UDC commentary for background information on the code and its administration. I have also enclosed a Material Order form for subsequent purchase of permit forms and seals.

If you or your building inspector have any questions regarding the code or its enforcement please give me a call.

Sincerely,

Gerald P. Marx, P.E.
